

VT HOSA FLC 2022 Workshop Descriptions & Ticket Information

Morning Workshop Options

1. How to Survive & Thrive in Nursing School, Presented by Norwich Students

Up to 50 HOSA Student Members

Come hear from a panel of students about “How did we survive the first year of nursing school (as a Rook and a traditional student)?”.

2. Come Be A Nurse: The Sky is the Limit!, Lead by Norwich Professors

Up to 50 HOSA Student Members

Come talk to expert nurses on your life as a nurse in the hospital, school, nursing; clinical, teaching, or research; all communities need nurses (#1 trusted profession) from small towns to international metropolises; days, nights, part-time, full-time, or both...

3. DHMC-Skin Cancers, Rashes, Procedures- Oh My!, Presented by Caitlin Yazel, Nurse Manager, Dermatology

Up to 35 HOSA Student Members

This workshop will highlight common dermatologic cases, procedures, and diagnoses encountered in a busy ambulatory practice. Additionally, we will talk about the various roles of the healthcare providers within the clinic. Come to this workshop ready to learn and ready to participate in some fun dermatology filled learning!

4. VT HOSA Leadership Team Discussion, Lead by Jessica Enright, VT HOSA State Advisor

Advisors & 1 to 3 Class Officers

Meet with your VT HOSA State Advisor to hear about updates, planning for SLC and the year ahead! This is a great opportunity to learn more about HOSA and share your ideas to really make VT HOSA a reflective organization of all of our chapters! Please make this workshop a priority for Advisors and at least a few motivated members.
